Clay Fire makes a difference...

The Clay Fire Territory proudly serves the needs of our customers in Clay, Harris and German Townships and the towns of Roseland and Indian Village. We accomplish our simple mission statement; "To Help Others," by providing fire, rescue, emergency medical and hazard mitigation services to 65,000 residents covering 54 square miles.

As the first internationally accredited fire department in Indiana, Clay Fire Territory provides our services with a professional staff of 63 career and 47 part-time/on-call firefighters in addition to 2 civilian support staff members.
