Structure Fire – Brighton Court, Granger, IN

Harris Township, IN - Crews from the Clay Fire Territory were called to the 51500 block of Brighton Court just after 8:00 Monday night for a report of a house on fire. Units arrived on scene within minutes to find heavy smoke coming from an attached garage. Clay Fire crews extinguished the fire, which appears to have started in the garage and stopped it from entering the living area of the home. The garage and two cars were significantly damaged. The rest of the home suffered minor smoke damage. 4 people were home at the time of the fire and exited safely. The cause of the fire appears to be accidental and is currently under investigation.
