## A Summer Camp for Aspiring Firefighters!

Clay Fire is Accepting Applications for June 2015 Fire Camp.

**St Joseph County, IN-** It's a Summer Camp for Aspiring Firefighters. Clay Fire is now accepting applications for its annual Summer Fire Camp. The camp will run from 9 am – 3 pm, June 15 - 19, 2015.

Clay Fire Summer Fire Camp is an excellent opportunity that allows children to experience and understand what a Firefighter / EMT does on a regular basis. This program is targeted for children 10 –13 years of age and the activities will be directed accordingly. Campers will participate “hands on” with equipment and have the opportunity to learn skills while performing at mock fire and rescue scenarios. It is the mission of our instructors to inspire the participants and to teach them teambuilding and valuable lifesaving skills while having fun.

To enroll parents will need to complete a camper application online at [www.clayfd.com](http://www.clayfd.com). Parents are required to download and return the consent and health form along with payment to Clay Fire Station 22, 18355 Auten Rd, South Bend, IN 46637. The camp fee will cover the cost of t-shirts and refreshments. Campers will be required to bring a sack lunch throughout the week. Parents will be required to attend an orientation meeting the week prior to camp. Fire Camp is limited to 30 applicants.
