RELEASE DATE: 7/15/2016

Indiana Toll Road Crash

Clay Fire units were called to the Indiana Toll Road at approximately 13:15 today for a multiple vehicle accident involving numerous patients. Fire and EMS crews arrived on the scene at the 85.2 mile marker to find a crash involving two tractor trailers and two passenger vehicles. Clay Fire received mutual aid assistance from our partners at the South Bend Fire Department and the Penn Township Fire Department. One passenger was found to be deceased, and three other patients were transported to area hospitals with non-life threatening injuries. The Indiana State Police shut down all west bound traffic on the Indiana Toll Road for approximately 3 hours while they conducted their investigation and cleared the roadway of debris.

Clay Fire does not release the identity or any other protected health information of its patients.
