CLAY FIRE RESPONDS TO HOUSE FIRE

On September 5, 2016 at approximately 5:45 P.M. Clay Fire units were dispatched to a report of a house fire in the 18,900 block of Cleveland Rd. Crews arrived on scene quickly to find heavy black smoke coming from the front of the house. Crews made entry to the house and found a working fire in the living room of the home. Crews were able to quickly place water on the fire and contain it to the area in which the fire started. The cause of the fire is believed to be from an electrical problem. Two occupants were home at the time of the fire and escaped without injury.
