AREA FIRE DEPARTMENTS TO ANNOUNCE LIFESAVING TECHNOLOGY

Media Advisory: Clay Fire Territory, Mishawaka Fire Department, South Bend Fire Department, Penn Township Fire Department, and the St. Joseph County 9-1-1 Center Bring Lifesaving Technology to St. Joseph County, Indiana via PulsePoint, a 9-1-1 Integrated Mobile Application.

South Bend, IN – Area fire chiefs will be announcing joint agency fire department participation in PulsePoint, a free mobile app designed to provide a real-time view into the 9-1-1 dispatch system. This mobile app increases community awareness of emergent events and alerts CPR-trained citizens to cardiac arrest victims located in nearby public locations so they may administer aid. Please join us on Tuesday, July 16, 2019, at 09:00 a.m. at Clay Fire Territory Fire Station #21, located at 18776 Cleveland Road, South Bend, IN 46637.
