

CLAY FIRE

18355 Auten Road • South Bend, IN 46637 Telephone: (574) 272-2144
Fax: (574) 272-4043

For Immediate Release

Date: June 29, 2012

Subject: Fireworks Safety Concerns

Contact Person: Dave Cherrone, Fire Marshal

272-2144 or 532-0439

With the extremely dry conditions, Clay Fire Territory is asking people to please do the following:

**** Refrain from using fireworks which leave the ground.**

When conditions are not dry, we are always concerned where the devices land.

**** Wet the area down where you intend to shoot fireworks off from.**

This should be done throughout the day of and right up to the time you intend to shoot off your fireworks.

**** Have a garden hose at hand and turned on so you can wet down the area after you shoot off your fireworks.**

**** Do not shoot off fireworks from roadways or any other property that you do not have permission to do so.**

**** Only discharge fireworks between June 29 and July 9, and not after 11 pm (the exception is July 4, when the time is midnight).**

**** Be respectful of your neighbors. Not everyone may enjoy fireworks to the extent you do.**
