A Summer Camp for Aspiring Firefighters!

Clay Fire Territory 2013 Fire Camp

St Joseph County, IN- It's a Summer Camp for Aspiring Firefighters. Clay Fire's 8th annual Summer Camp starts today and runs through Friday. The camp will be held at Clay Station 25, at the corner of Anderson and Bittersweet Roads, in Granger. 28 local children are attending the 2013 Fire Camp and will be at the Station from 9am- 3pm.

The Clay Fire Territory Fire Camp allows children to experience and understand what a Firefighter / EMT does on a regular basis. This program is targeted for children 10 – 13 years of age and the activities will be directed accordingly. Campers will actually participate “hands on” with equipment and have the opportunity to learn skills while performing at mock fire and rescue situations. It is the mission of our instructors to inspire the participants and to teach them teambuilding and valuable life saving skills while having fun.

For more information, feel free to contact the Clay Fire Territory Community Services Division at 574-272-2144.
