Subject: House Fire

Contact Person: Battalion Chief Robert Wood

On this date at 1424 hours Clay Fire responded to the 21000 of Sandybrook Drive for a report of smoke coming from a house. Fire units arrived within minutes of being dispatched and found a 2 story house with heavy amounts of smoke coming from the house. Fire units made entry to the house for fire extinguishment and one of the fire fighters legs fell through the first floor. At this time all fire crews were ordered to exit the house because the fire was found to be in the basement and the first floor was not safe to operate on.

Fire crews extinguished the fire from the exterior because the house was unstable to be inside of. The house was found to unoccupied at the time of the fire. One fire fighter was injured and treated for a knee injury.

Damage to the house severe. At this time the fire is under investigation and the cause is still unknown.
