Subject: Residential Fire in Clay Township

Contact Person: Battalion Chief Todd Wetter

Crews from the Clay Fire Territory were dispatched to the 17300 block of Fleetwood Lane around 6:45pm Thursday night for a report of a residential fire. Crews arrived quickly to find smoke coming from the front door and eaves of the house. The occupant of the house was alerted to the fire when he heard a crackling noise coming from the kitchen, he was able to safely exit the house and call 911. The fire is believed to have originated in the kitchen and was quickly brought under control by Clay Fire crews. The fire damage was contained mostly to the kitchen area with some extension into second floor attic space; damage to the home is estimated around \$30,000. The cause of the fire is still under investigation.
