PROGRAM

"TO HELP OTHERS"

SMOKE & CARBON MONOXIDE DETECTORS

Smoke detectors provide early warning of a fire. Carbon monoxide detectors detect and alert residents of the presence of carbon monoxide an odorless, colorless, and poisonous gas.

Almost 2/3 of home fire deaths occur in homes with NO working smoke alarms.

STOVETOP FIRESTOP

A solution to reduce the chances of a kitchen fire occurring in your home. Stovetop Firestop canisters are easy to install above the stove and deploy automatically when needed to extinguish cooking fires.

KNOX HOMEBOX™

- Provides firefighters with residential rapid access.
- Minimizes the need for costly property repairs due to forced entry.
- Re-securing the residence is simple and quick.
- Reduces risk of injury to first responders.

REFLECTIVE ADDRESS SIGNS

IS YOUR ADDRESS VISABLE FROM THE ROAD?

Having a visible home address can help quicken our response in reaching you and your home.
